

Consent

Current regulations relating to Child Protection issues and taking photographs/videos of young people require that we obtain a consent from your parent/trustee for any picture/video that includes you and which is going to be used in either video or printed publication (without your name).

As a parent/trustee I agree that my child attend and be actively involved in this event (Summer Camp - Fratarski 2019). I am consent to items mentioned above regarding taking photographs/videos of my child.

IMPORTANT NOTE: I understand that this consent I have to bring with me printed and signed (by parent/trustee) on this event (You can download it here: www.adventisti.hr/studentski-kamp-na-fratarskom/).
