

## **Clinical Pastoral Education (Chaplaincy)**

### **Specialising in Pastoral Care**

Clinical Pastoral Education is an interdisciplinary professional certification, utilising your experiential learning from diverse contexts of ministry.

You will develop skills to provide spiritual care for people from multi-faith contexts, leading to career pathways across chaplaincy, pastoral ministry, education and counselling.

**Course length:**  
2 years (4 units)

**Mode of study:**  
Part-time (cohort based)

**Mode of delivery:**  
Orientation in-person,  
weekly supervision online

**Validated by:**  
Association of Clinical  
Pastoral Education (ACPE)

**Accreditation:**  
Newbold College is currently a  
placement site for Texas Health  
Huguley Hospital (USA) which  
is an ACPE accredited center.

**Intake:** 1 July 2026

**Application deadline:** 15 June 2026

The CPE Unit equips pastors and lay participants to excel in pastoral care, enhancing their church leadership and compassionate visits to parishioners, prisoners, hospital patients, the military, and nursing home residents, guiding them to become the fullest, most impactful version of themselves as pastoral caregivers.

Theodore (Theo) Stewart  
ACPE Certified Educator, Texas Health Huguley  
Newbold College Guest Lecturer

## Course highlights include:

- **Orientation:** Establish a strong foundation in pastoral care by exploring theological, theoretical, and spiritual aspects. Enhance your ability to form empathetic and meaningful connections.
- **Placement:** Immerse yourself in real-world settings. Enhance your pastoral capabilities through direct client interaction and guided mentorship.
- **Reflective Practice:** Enhance deep personal and professional growth through guided reflection and group discussions. Learn to navigate ethical challenges with integrity and confidence.
